ABBEY VETERINARY GROUP

With over 100 years of experience we are very proud that we are now the only veterinary practice in Paisley and Inverclyde that still provides a personal 24/7 Emergency Service, which is run by our own staff at our own surgery at reasonable cost.

During the night and at the weekends our small animal patients are treated by our vets at our surgery and not sent to the middle of Glasgow your horses and livestock are treated by our vets at your premises.

Who would you trust to look after your pet?

We are very proud to have two vets on call each and every night as we have done for over 50 years.
